Mumbai, February 28

THE CONSUMER BANKING business of Citibank India is all set to be merged with Axis Bank from Wednesday — 11 months after the deal was signed.

The process of rebranding has already begun, marked by the signboard at Citi India's iconic Kolkata office being taken down. The social media were flushed with several Citi India employees posting nostalgic memories of working at the bank. While the merger is set to come into effect from March 1, Citibank India employees expect some time to pass before the actual integration of the two behemoths to come into effect in a meaningful way.

Axis Bank and Citibank India have different work culture and human resource (HR) policies including leaves policies and accessibility of supervisors, said a Citibank India employee on condition of

The signboard of Citibank being removed from the Mumbai office as part of the rebranding exercise with Axis Bank

EXPRESS PHOTO BY GANESH SHIRSEKAR

anonymity, adding that, the difference in work culture stems from the fact that Citi India is owned and operated by multinational organisation based in the US.

"Currently, we are also pretty anxious as how the structure and reporting will be going forward at Axis as lot of roles and responsibilities will

be cleared in near future," said an employee of Citibank India who did not wish to be named.

Additionally, Axis Bank will also have to do a product realignment exercise eliminating overlapping products in one segment, said another employee. For example, Axis Bank will have to restructure its product in the high net-

worth segment, where Citibank was predominantly present, she said. This applies to all products including credit cards, retail banking and wealth management. "There is also a need to sensitise the relationship managers to the merger while handling the HNI clients," she added.

Citibank India employees belonging to the consumer vertical are set to join Axis Bank for better or for worse as they expect some role revision when it comes to designations as the two lenders have different hierarchy structures, the first person said.

"It's an emotional day for all Citi bankers and for most of the BFSI Industry professionals who have been associated with Citi Bank having started their career and have grown leaps & bounds within organisation or outside," Pradeep Anand, VP of Wealth Management, Citibank India said on social media platform LinkedIn.

On the consumerside, there are some changes post the merger. After the transfer date, Citi branches & ATMs will be re-branded as Axis Bank and the timings will change, accordingly, Citi said in a frequently asked questions (FAQ) released a day before the merger. Where existing Citi credit cards are up for renewal, the replaced credit card will continue as a Citi branded card.

In case of mortgages, if the loan is fully or partially disbursed and the customer has consented, the same shall be assigned to Axis Bank. There will be no changes in service charges for existing personal loans and any changes in the future will be informed in advance, the lender said.

Post merger, Axis Bank will temporarily provide Citi branded consumer banking products in India and Citi India will provide certain services in respect of those products, the FAQ said.

SBI raises \$1-billion ESG loan

PRESS TRUST OF INDIA
Mumbai, February 28

STATE BANK OF India on Tuesday said it has concluded a landmark \$1 billion syndicated social loan, making it the largest ESG loan raised by a commercial bank in the Asia-Pacific market.

In a statement, the bank said the loan is of \$500 million

of primary issue and an equal amount in greenshoe option. It is also the maiden such issuance from the nation's largest lender. The deal is the largest ESG (environmental, social and governance) loan by a commercial bank in the Asia-Pacific and the second-largest social loan globally, it added.

The issue got overwhelming participation from banks

across Taiwan, Japan, China, and the West Asia, ensuring a full subscription, including \$500 million of the greenshoe option. At current exchange rates, \$1 billion is worth more than ₹8,200 crore.

The transaction is significant for SBI and the domestic ESG financing market since it is the largest ESG loan by a commercial bank in the region.
